

## **SIGNS OF THE TIMES**

David C F Wright, PhD

In January 2010, there was an earthquake in Haiti with about 52 aftershocks.

It was said that 200,000 people were killed and 300,000 people were injured. It was also said that 250,000 homes were destroyed and 30,000 office buildings were destroyed or severely damaged.

The atheist [\*Richard Dawkins\*](#) made a vicious attack on the God of the Bible concerning this disaster in The Times newspaper on 29 January but he has always stated that the God of the Bible does not exist. This proves that he is irrational. He blames the God whom he does not believe in, and since God does not exist there is no point in Dawkins displaying his hatred of God

He has also said, "If you do not believe in (original) evolution you are both ignorant, stupid and wicked."

There are people being kicked out of universities in the USA because they do not believe in evolution and/or if they believe in the God of the Bible. That is discrimination.

Dawkins also says that a single living cell may have come about by an alien from outer space since it was aliens who started the human race.

To sum up what he says... it is wicked (his word) to believe that God exists but the belief that aliens started the human race is scientific and true. All the scientists I know reject this as complete nonsense!

Then he complains about Israel doing nothing to aid the victims of the earthquake. What lies! Israel sent substantial aid to Haiti including an entire field hospital with many of the latest state-of-the-art pieces of equipment.

Dawkins hates Israel and all Jews because it is said that they are God's chosen people whereas that statement in itself is misleading and not Biblical. God did not choose the Jews. He called Abraham.

And so Dawkins blames God for this disaster and yet he does not believe in God.

He dismisses everyone who believes in the God of the Bible as ignorant, stupid and wicked. Hitler was wicked. Ian Huntley was wicked.

He denies God as Creator and states that aliens began the human race.

He tells lies about Israel.

He hates the God of the Bible, who he says does not exist, and has no respect for those who are Christians but contempt.

What is clear is that people who do not believe in the God of the Bible or in Jesus Christ as the Son of God, who died on the Cross to save all believers from sin and eternal damnation and who was resurrected and lives for evermore, are denying the truth and their eternal destiny.

Spiritualism, science and the words of psychics are all made by people who deny the God of the Bible and the truth. In many cases they have turned against the truth because they have reacted badly to it. The preaching of hell so offends some that they set out on a course to ridicule Christianity and so are drawn to false teaching such as reincarnation and the claim that there is no hell.

The worship of science is the major feature of society today and to worship science is to ignore God and

the Truth.

When people consider all the evidence which proves the Bible, the majority will not budge. Look at all the prophecies in the Bible which have come true and remember that the Bible was in existence before there was a church... the effects of nuclear warfare, the dependence on oil, the rebirth of Israel and so on. Consider all the prophecies about Christ written hundreds of years before He came and marvel that they all came true.

The world is fast going into greater decline as foretold in the New Testament but people still will not heed what the Bible says. One can therefore understand why God will judge the earth and its peoples and the day will come when everyone living and dead will bow their knee and acknowledge Jesus Christ as Lord. And the atheists and all others who have denied God will plead for mercy but the final destiny for the unbelievers and those who teach lies and falsehood will not be eternal life.

Those who will not be saved include the effeminate, homosexuals, extortioners, sorcerers, which include spiritualists and psychics, those who teach falsehoods and believe them, unrepentant adulterers, whoremongers, including those in the sex and porn industries, and those who have sinned against the Holy Spirit in denying the Deity of Christ.
